### **GRENADE FOUND IN VITINA**

Camp Bondsteel, Kosovo – KFOR dispatched the 737<sup>th</sup> Explosive Ordnance Disposal Company (EOD) to disposed of a grenade found in a woodpile by a woman in Vitina on Sept. 29. The Vitina military police substation received the report of the grenade's location. KPS responded and awaited EOD's arrival. EOD disposed of the grenade on the scene.

There is no evidence connecting the incident to current elections.
